Active network Program

Mission

JSB networks will connect people around the world and together build the JSB platform into a solid network.

The Active network Program, directed and sponsored by the JSB Foundation - is activated to help all participants become the system's pioneering leaders. You will be pioneers in the system to connect with others on every continent from Europe, America, Asia, Australia and Africa.

The achievements of pioneering leaders are the results of accumulating global networks.

Time: (Singapore time zone)
